

Become a Volunteer

CanadaCoveCCCA@gmail.com

The CCCA is **100%** volunteer-based and includes the following committees:

- COPE (Cañada Cove Organized Plan for Emergencies) •
Community Engagement (Activities, Classes, & Events)
- Communications (email, Facebook, website, and printed marketing materials - i.e., flyers)
- Welcome
- Care

There are many benefits to becoming a volunteer!

- Connects you with community and others
- Opportunity to learn new skills & share your current skills with others •
Provides personal fulfillment & growth
- Fosters new friendships
- You will make a big difference in another person's life - no matter how big or small the gesture •
Improves your mental and physical health

There are several things you can do to help. Here are a few examples: •

Chair a new committee

- Perform Clerical Duties (stapling, laminating, sorting, editing and proofing documents, etc.) •

Set up and break down for events and activities

- Marketing (create and post flyers) •

Organize an activity/group

- Organize a class
- Organize an event
- Help during a scheduled event

The list is endless! Pick a committee or committees that you are passionate about and talk to that Committee's Chair for details on how you can participate.

Complete a Volunteer Enrollment Form and place it in the secure black box on the CCCA cart. We will record your name and contact information for file purposes and will then forward your completed form to your chosen committee chairperson. Because there are many duties that need to be done in each committee, the chairperson will review your enrollment form, call you to discuss your individual interests and goals, and get you started!
